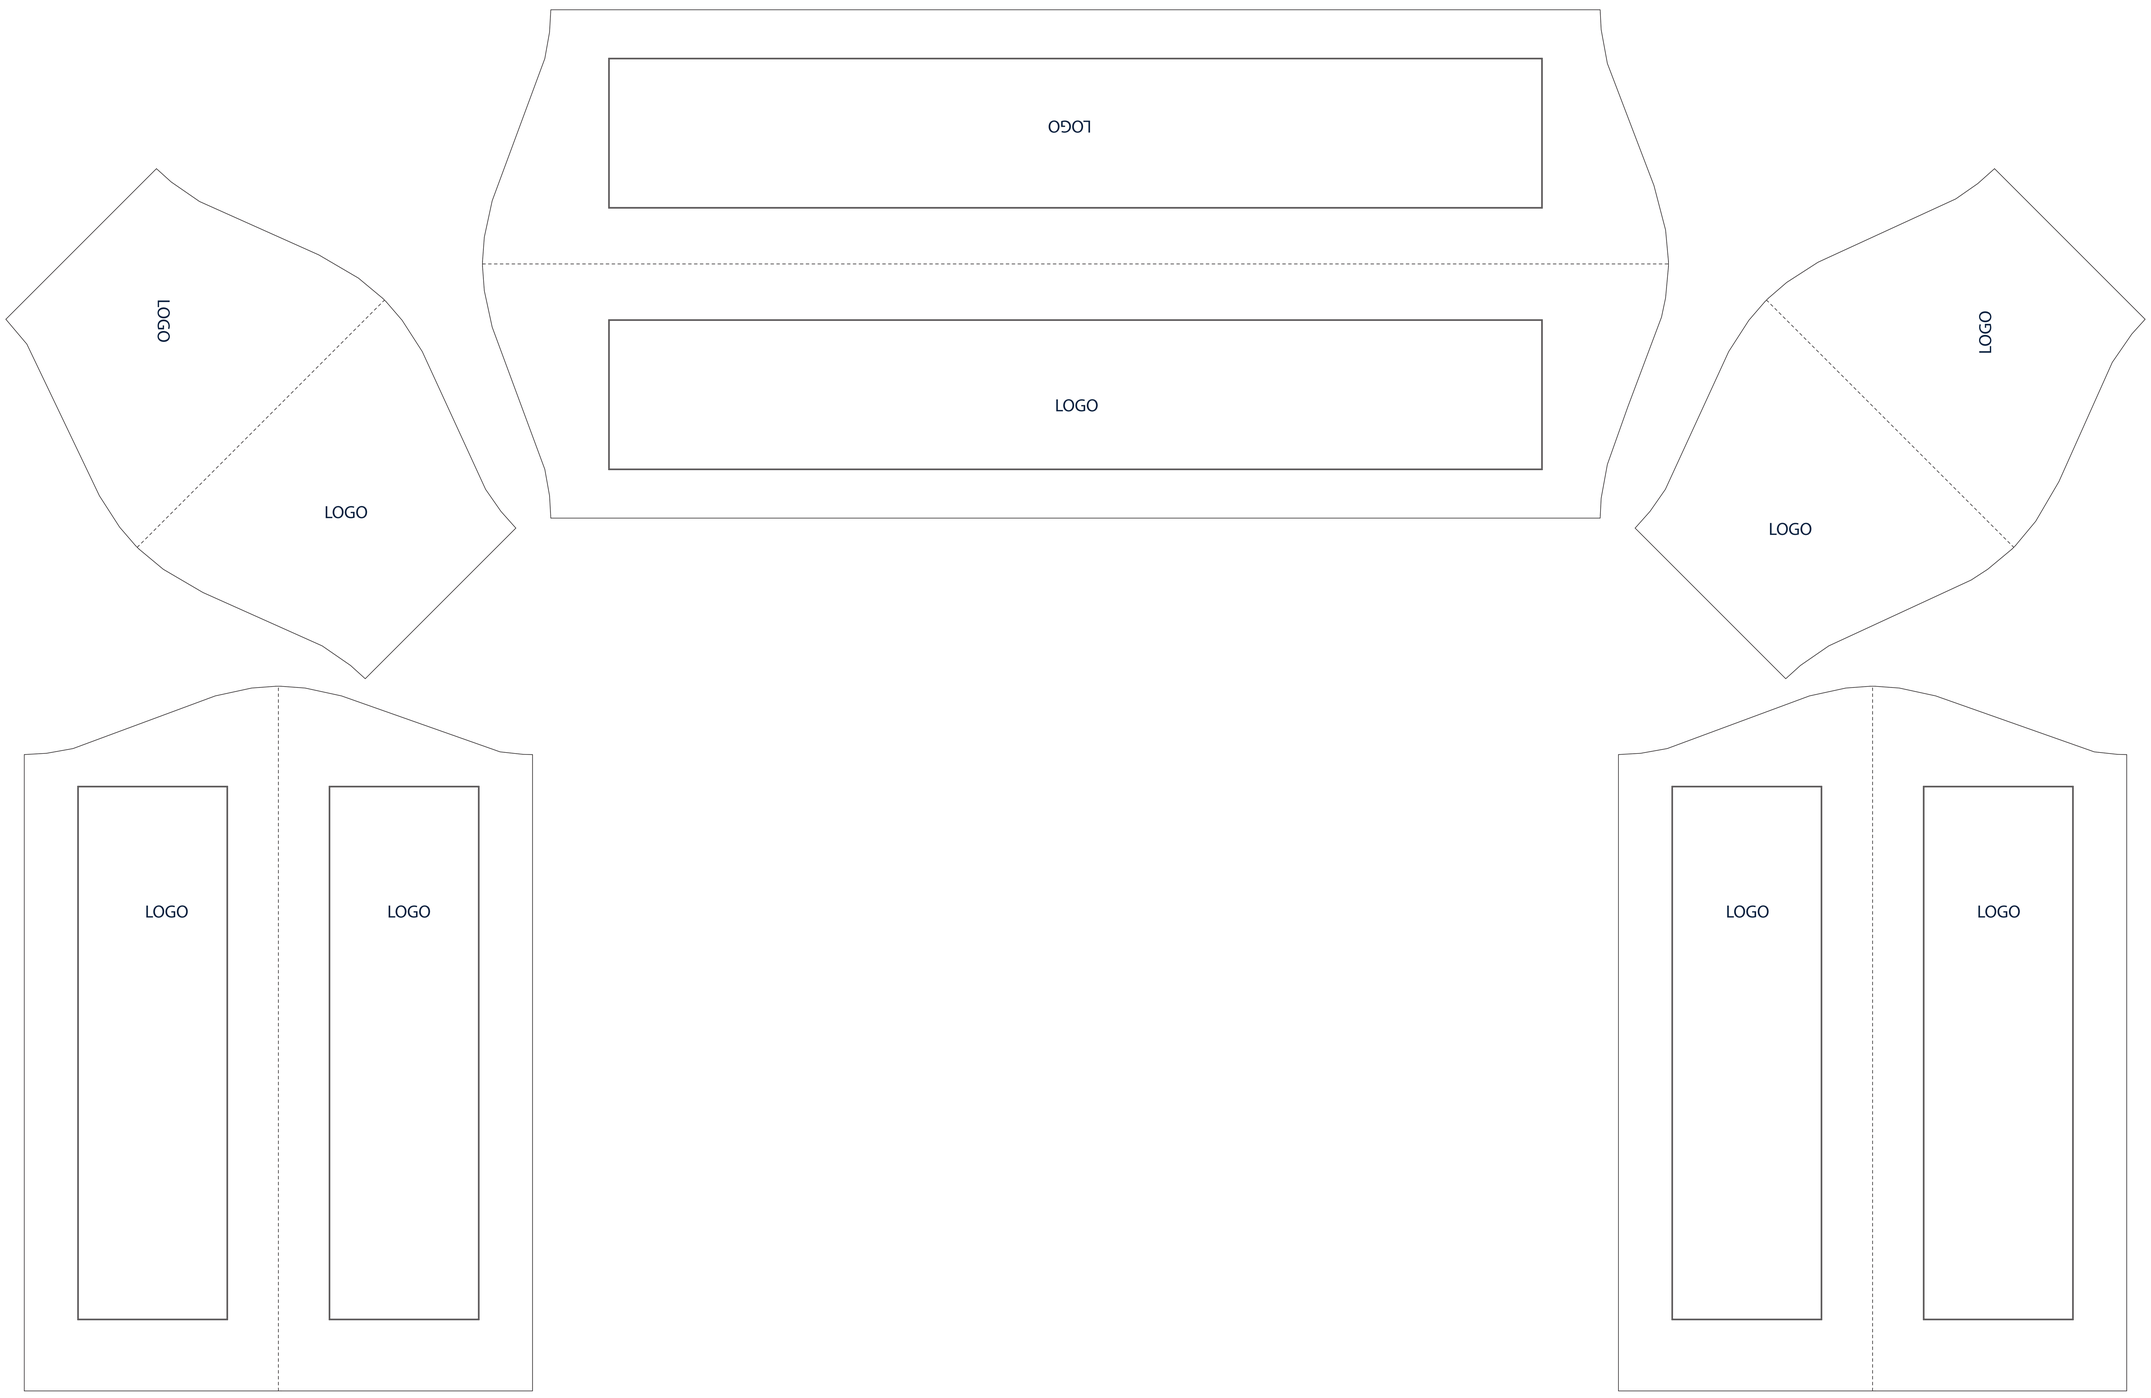
AXION | PL ARE 1000-96 H



1:10

The graphical visual is made for information purpose only and the final product real look may be different due to technological and optical limitations.
The real color of the fabric may be a matter of subjective judgment, the limits of the human eye, lighting conditions and color differences caused by the administration of glossy and matt materials.
The producer reserve a right to slight change of the position of the artwork or lettering due to avoiding its collision with technological splits, components or stitching lines on the surface.
