HOW TO FAST AND EASILY SET UP A PROMOTIONAL POINT WITH PROMO 1 ?

Every configuration is available in the blink of an eye thanks to tool-free assembly and magnetic graphic panels.

01— MOBILE AND EASILY TRANSPORTABLE

Promo 1 is a system of light, robust aluminium frames, which you can carry on a convenient trolley as well as in an estate car.

02— INTUITIVE, TOOL-FREE ASSEMBLY

Promo 1 frames can be connected without any tools thanks to special connectors. You can equip the system with a range of accessories and easily expand it whenever needed.

03— EXCHANGEABLE GRAPHIC PANELS

Thanks to exchangeable, magnetic graphic panels you can instantly transform your promotional point whenever it will be needed. Remember that only graphic panels require replacement.
