HOW TO QUICKLY AND EASILY BUILD A STAND OUT OF PROMO 1®?

You can build each set in a couple of minutes thanks to toolless assembly and magnetic graphic panels.

01— MOBILE AND EASY TO TRANSPORT

Clever Frame® is a system of lightweight, sound aluminium frames to be comfortably carried on a trolley and easily transported in an estate car.

02— INTUITIVE MOUNTING WITHOUT ANY TOOLS

You can connect the frames of Clever Frame® with special connectors, not using any tools. You can provide it with a number of accessories and extend the system when necessary.

03— REPLACEABLE GRAPHIC PANELS

Replaceable, magnetic graphic panels will help you instantly and easily change the arrangement of your stand when necessary. Remember that the graphic panels make the only elements to be replaced!
